

**WTF?**

Software  
and  
freedom?

# Experiment!

Already  
an  
android?

about  
control

control  
about

control  
about  
computers

control  
about  
you

control  
about  
your  
thoughts

free

dom

free speech

free software

Second  
message!

Patent offices  
steal

Patent offices  
steal  
your work

Patent offices  
steal  
your rights

**civilisation**

**civil rights**

your rights

your right  
to vote

your right  
to vote  
governments  
and parliaments

What is  
someone knows  
you have voted  
wrong ...

.. because  
he  
knows  
better?

A patent office

**Why?**

Don corleone is  
a respectable  
man!

**Protection!**

Alfredo is also  
a respectable  
man!

**But a bad cook!**

The preserver of  
the knowledge  
of mankind

One database to  
protect them all!

But some have  
to be forced

Surreal?

It is just about  
belief systems

the middle age

vs

information age
